City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT: AGREEMENT WITH SACRAMENTO REGIONAL FIRE/EMS  
COMMUNICATIONS CENTER FOR SERVICES OF A  
COMMUNICATIONS CENTER MANAGER**

**LOCATION/COUNCIL DISTRICT:** Citywide

**RECOMMENDATION:**

- Staff recommends that the City Council adopt the attached resolution which:
- authorizes the City Manager to execute the Agreement for Services of a Communications Center Manager; and
  - amends the Fiscal Year 2000-2001 revenue and expenditure budget.

**CONTACT PERSON:** Dennis Smith, Fire Chief 264-5268  
Rod Chong, Deputy Fire Chief 264-7368

**FOR CITY COUNCIL MEETING OF:** June 6, 2000

**SUMMARY:**

The Sacramento Regional Fire/EMS Communications Center (SRFECC) is contracting with the City of Sacramento for a Communications Center Manager. The manager being requested is from the City of Sacramento Fire Department. In consideration of this service, the SRFECC is compensating the City.

**BACKGROUND:**

The SRFECC provides dispatching service to the local fire agencies. A center manager is necessary to oversee the daily operations of the communication center. Earlier this year, the previous center manager retired, leaving a void. Through a competitive process, the City of Sacramento Fire Department submitted a nomination and that person has been selected to become the new SRFECC Manager.

All costs associated with operating SRFECC are allocated back to the member agencies. This would include the cost associated with the provision of a Center Manager. The agreement for the service of the Center Manager includes a provision for compensation to the member agency providing that Manager. The agreement, which is available for review in the City Clerk's Office, is through June 30, 2001.

**FINANCIAL CONSIDERATIONS:**

The contract provides for two semi-annual payments to the City. The total amount of the contract is \$153,365. The revenue and expenditure budget for Fiscal Year 2000-2001 needs to be amended to reflect the effects of the contract. The net effect of this contract to the general fund is \$0.

**ENVIRONMENTAL CONSIDERATIONS:**

Ongoing administrative and maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public works construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act. CEQA Guidelines, Section 15061(b)(1), 15378(b)(3).

**POLICY CONSIDERATIONS:**

This agreement is consistent with City Council priorities in that it builds a partnership with other public agencies.

**ESBD EFFORTS:**

This report does not involve the procurement of supplies and services.

Respectfully Submitted,

Dennis Smith  
Fire Chief
