The following is a response to your letter dated July 20, 2007 regarding the above reference property.

We request that you grant an extension of the application for this property.

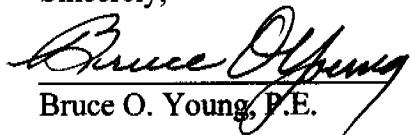

It has taken an inordinate amount of time to obtain approval from CSD-1. Each time we have submitted corrected drawings, a new person has reviewed the plans and each time there has been small changes requested. Each turn-a-round takes up to a month to complete.

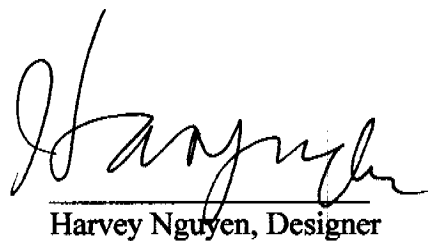

In addition, the owner's work requires her to be away from Sacramento for lengthy periods of time, which has slowed her approving of changes made to the project.

We are, this date making, what we are hopeful of, the final submittal to CSD-1. All other requirements for this project have been completed.

Therefore, we respectfully ask for an extension per item one of your July 20, letter.

Sincerely,

Bruce O. Young, P.E.
