*** The Community Services Department will conduct a field test to compare these two commercial 20" rotary mowers; it is therefore recommended that four (4) mowers be purchased from these two bidders. All of the other mowers offered by the remaining bidders are rear discharge and are not acceptable.

****Since these three (3) commercial 21" rotary mowers are utilized in the downtown mall area, they must be compatible with the existing units (type of cut, width, etc.); therefore, the mower offered by this bidder is not acceptable to the Community Services Department.
