Description/Analysis

Issue Detail: Presentation from Sacramento Police Department Regarding Training and Protocols Related to Interactions with People Living with Mental Illness or Substance Abuse Disorders.

Presentation was requested by Motion at the March 2018 SCPRC meeting; however, the issue was placed on hold pending higher priority topics, per the commission. Motion approved at the March 2018 SCPRC meeting was for the creation of an Ad Hoc meeting to evaluate SPD training and protocols related to this topic. This presentation was requested to bring the commission information regarding SPD's current programs.
