C.C. 1881

March 10, 1981

City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** Approval of Plans and Specifications for Center Parkway  
Median Landscaping - Valley Hi Drive to Calvine Road

SUMMARY:

Attached is a report to the Budget and Finance Committee recommending that the plans and specifications for the subject project be approved and advertised for bids. The Budget and Finance Committee approved the staff recommendation on March 3, 1981.

RECOMMENDATION:

It is recommended that plans and specifications be approved and that bids be received on April 7, 1981.

Respectfully submitted,

R. H. PARKER  
City Engineer

Recommendation Approved:

Walter J. Slupe, City Manager

February 23, 1981

Budget and Finance Committee  
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Center Parkway  
Median Landscaping - Valley Hi Drive to Calvine Road

### SUMMARY:

Plans and specifications for the subject project have been prepared and approval is recommended.

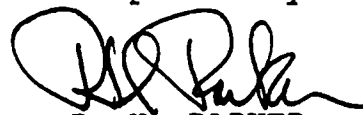

### FINANCIAL:

In the F.Y. 1977/78 Capital Improvement Program, the City Council approved the appropriation of \$90,000 from Gas Tax funds for the Landscaping Improvements to the Center Parkway Median from Valley Hi Drive to Calvine Road. The project is estimated to cost approximately \$125,825. There is approximately \$85,000 remaining in unencumbered funds for the project, leaving a deficiency of approximately \$41,000. It is proposed that the needed additional funds be appropriated from the Major Street Construction Tax fund. Although the estimate exceeds the amount budgeted and funds will need to be appropriated, it is believed that bids should be received and analyzed before a final budgetary recommendation is made to the City Council.

### RECOMMENDATION:

It is recommended that the Budget and Finance Committee recommend to the full City Council that the plans and specifications be approved and that this project be advertised for bids.

Respectfully submitted,

  
R. H. PARKER  
City Engineer

Recommendation Approved:
