Honorable Members in Session:

Subject: Sacramento Science Center and Junior Museum  
Lease Amendment

### SUMMARY

This report recommends that the City Council authorize the City Manager and City Clerk to execute an amendment to the Sacramento Science Center and Junior Museum lease.

### BACKGROUND INFORMATION

On August 20, 1974, a lease was executed between the City of Sacramento and the Sacramento Science Center and Junior Museum for property in Del Paso Park located at Auburn Boulevard and Bridge Road. The terms of the lease permit the Sacramento Science Center and Junior Museum to construct certain improvements on the property. That organization now desires to construct a nature trail and environmental viewing area to enhance the programs presented at the Center. An amendment to the lease is required to enable such construction. The City staffs of various departments have reviewed and approved the proposed improvements to the Sacramento Science Center and Junior Museum leasehold in Del Paso Park.

### FINANCIAL DATA

The amendment to the lease and the construction of the nature trail will result in no cost to the City, nor will there be a change in revenue to the Sacramento Science Center and Junior Museum.
