City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** Resolution Suspending Formal Bidding for the  
Reroofing of the Crocker Annex

SUMMARY:

At the August 19, 1980 meeting, Council approved an appropriation for the repair of the Crocker Annex roof. The existing roof is in extremely poor condition and leakage last winter caused damage to both the ceiling and floor of the structure. It is Staff's opinion that an additional winter of water leakage will cause severe damage to the ceiling and floor. Therefore, it is recommended that formal bidding be suspended, and informal bids taken on this project so that the roof can be repaired before the rainy season begins.

FINANCIAL DATA:

The 1980/81 Capital Improvement budget contains \$22,000.00 for this project.

RECOMMENDATION:

It is recommended the City Council suspend formal bidding for the reroofing of the Crocker Annex by adoption of the attached resolution.
