Dear Mr. Pecci,

We received a reroofing permit (#9808739) on 9/8/98 to reroof our house at 1863 Crossmill Way in Sacramento using a layover technique with 25 year dimensional composite shingles. We had an in-progress inspection on 9/10/98 and everything was fine. This is a rental house and we were unable to completely finish last fall so I was told to write to you to get an extension on our permit. We live in Maryland and plan to come out to finish the last section of roof in late Spring or Summer. Please extend our permit for another 180 days.

Let me know if any further information is required.

Sincerely,

Theresa Neumann
