City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Measure A Street Overlay, Phase I 89/90 (PN:RC01) - Project Approval and Bid Advertisement

SUMMARY

Specifications for this project have been prepared. Approval of the specifications and authorization to advertise for bids is recommended.

BACKGROUND

This project will overlay asphaltic concrete on the streets shown on the attached list. This is the first project utilizing funds generated by Measure A.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on April 20, 1989. The engineer's estimated construction cost is \$1,790,000.

FINANCIAL DATA

This project will be funded in Fiscal Year 1989/1990 by Sales Tax (Measure A) monies. There will be sufficient funds available for the project. The estimated total project cost, including all planning, design, and construction costs, is \$1,908,000. The budget for the new fiscal year will be \$2,653,000, which will be in the Capital Improvements Program from Sales Tax (Measure A) Funds (201).

A non-refundable fee of \$10.00 will be charged for each set of specifications to cover the cost of reproduction.

City Council
Measure A Street Overlay, Phase I 89/90 (PN:RC01)

POLICY CONSIDERATIONS

None.

MBE/WBE EFFORTS

Specifications will be sent to nineteen (19) plan rooms and construction services organizations for publication and use by the construction industry in Northern California. There are four (4) organizations on the distribution list that are directly involved with MBE/WBE contractors.

RECOMMENDATION

It is recommended that the City Council approve the specifications for this project and authorize the City Clerk to advertise for bids to be received on July 25, 1989.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager

Recommendation Approved:
