APPROVED
 BY THE CITY COUNCIL

JAN 22 1985

OFFICE OF THE
 CITY CLERK

City Council
 Sacramento, California

Honorable Members In Session:

SUBJECT: Repealing Resolution No. 84-385 and Approving an Updated Speed Limit Resolution.

SUMMARY

Periodically, the City Council is requested to adopt an updated and revised Resolution for setting speed limits on posted streets. American River Drive, Pinell Street, and Del Paso Boulevard are recommended to have their posted speed limits revised.

BACKGROUND

American River Drive between Howe Avenue and City Limits, is recommended to have its speed limit increased from 30 MPH to 35 MPH. This is a City/County boundary, and this recommendation concurs with the County's recommendation of establishing a 35 MPH limit (See Exhibit 1).

Pinell Street between Bell Avenue and North Avenue, is recommended to have its speed limit reduced from 40 MPH to 35 MPH. Recent speed survey data determines that 35 MPH is a reasonable speed for this street (See Exhibit 2).

Del Paso Boulevard between El Camino Avenue and Evergreen Street, is recommended to have its speed limit increased from 30 MPH to 35 MPH. Currently, Del Paso Boulevard north of Evergreen Street to Astoria Street is posted at 35 MPH, and this modification is a reasonable extension of the posted speed. Del Paso Boulevard between Arden Way and El Camino Avenue will remain at its present posted limit of 30 MPH (See Exhibit 3).

All streets recommended above have had Engineering Surveys, and recommendations have been made in accordance with the results of these surveys. This will allow the Police Department to use radar in the enforcement of these limits.
