Estimated cost, \$ 2000-

Plans must be submitted.

C. B. Livermore
Owner or Owner's Representative

The image displays a sheet of graph paper with a grid pattern. The grid is divided into two horizontal sections by a single horizontal line. Each section is 10 rows high and 30 columns wide. The top section is a solid grid. The bottom section is a solid grid with a dark ink smudge or mark located in the bottom right corner, approximately at the intersection of the 8th row and 26th column from the top. A vertical line is present at the 10th column boundary in both sections, and another vertical line is at the 20th column boundary in the bottom section.

This table is identical to the one above, but includes a dark ink smudge or mark in the bottom right corner, approximately at the intersection of the 8th row and 26th column from the top.
