RE: Permit for sewer replacement

I, Cheryl Skare, the home owner at 1916 Argail Way, Sacramento CA 95822, give my permission to John Blakely to acquire necessary permits from the City of Sacramento to complete a sewer replacement.

The original sewer leading from the house to the city clean-out is clay pipe and has deteriorated to the point that it requires replacement. This will include digging a trench to bury the new line. I also wish to acquire a permit to add a drainage system for the pool filter, to dump gray water separate from the sewer from the house.

Please call with questions, 916.505.9408

A handwritten signature in cursive script, appearing to read "Cheryl Skare", written over a horizontal line.
