CalHome First-Time Homebuyer Mortgage Assistance Program
PROGRAM GUIDELINES

CalHome Program Sacramento Housing and Redevelopment Agency has an allocation of State CalHome funds available for mortgage assistance to qualified borrowers. This funding is administered in accordance with Guidelines adopted by the State Department of Housing and Community Development (HCD). Funds are provided to qualified households in the form of 30-year, deferred-payment second mortgages. The CalHome First-Time Homebuyer Mortgage Assistance loan helps buyers purchase homes by providing financial assistance to reduce the amount of the first mortgage and to pay non-recurring closing costs.

- Minimum Loan Amount: \$ 5,000
- Maximum Loan Amount: \$50,000. The maximum loan shall not exceed the required amount of subsidy needed to make the unit affordable to the homebuyer and to pay non-recurring closing costs.
- Interest Rate: 3.00 percent fixed rate, simple. Principal and interest shall be deferred for the term of the loan.
- Term: 30 years
- Maximum CLTV: The loan- to- value ratio for the CalHome Program loan, when combined with all other indebtedness to be secured by the property, shall not exceed 100 percent of the sales price plus a maximum of up to five percent of the sales price to cover actual closing costs.
- Use of Funds: Funds may be used for down payment, mortgage assistance and non-recurring closing costs.
- Refinancing: Refinancing may be allowed subject to Agency subordination policy.
- Repayment: Loans shall be repayable upon sale or transfer of the property, when the property ceases to be owner-occupied, or upon the CalHome Program Loan maturity date.

- Hardship:** However, if it is determined by the recipient that repayment of the CalHome Program loan at the maturity date causes a hardship to the borrower, the borrower has two options:
(A) Amending the note and deed of trust to defer repayment of the amount due at loan maturity, that is the original principal and the accrued interest, for up to an additional 30 years (at 0% additional interest). This may be offered one time, or
(B) Converting the debt at loan maturity, that is the original principal balance and any accrued interest, to an amortized loan, repayable in 15 years at 0 percent additional interest.
- Eligible Properties:** The home must be located in eligible areas which are defined as "qualified census tracts" and/or redevelopment areas in the City and County of Sacramento. Please see following page for list of "qualified census tracts" and Agency redevelopment areas.
- Unincorporated Areas:** The CalHome program is available only within the unincorporated areas of the County. The program is not available in Citrus Heights, Elk Grove, Galt, Folsom, Isleton, or Rancho Cordova.
- Maximum Sales Price:** The maximum allowable sales price of the assisted unit cannot exceed the current median sales price of a single family home in Sacramento County which is currently \$380,000 based upon the Sacramento Association of Realtors.
- First-Time Homebuyer:** The applicant must be a first-time homebuyer which means a borrower who has not owned a home during the three-year period before the purchase of a home with CalHome assistance.
- Displaced Homemakers:** The CalHome Section 7716(m) contains a provision for displaced homemakers, single parents, and individuals who have owned mobile homes to be considered eligible for the program.
- Household Income:** The CalHome borrower household must have a gross annual income not exceeding 80 percent of county median income for the size of the household. Income also includes income from assets over \$5,000 calculated at 2.5 percent of the value of the asset. As of February 11, 2005 the limits are:

1-person	\$35,900
2-person	\$41,000
3-person	\$46,150
4-person	\$51,300
5-person	\$55,400
6-person	\$59,500

Eligibility vs Lender Income: For program eligibility, the total annual income includes income of all adult members of the household.

For underwriting purposes, the lender shall use standard industry methods for determining the borrower's annual gross income. Note that the gross income figure calculated for income-eligibility purposes may vary substantially from the annual income a lender will use to underwrite the first mortgage.

Housing Debt Ratio: Monthly housing costs shall be no less than 28 percent of the borrower's gross monthly income and no more than 35 percent. However, with compensating factors the housing costs can exceed 35 percent, but not 40 percent. The total debt ratio may be determined by the lender's underwriting guidelines. On FHA insured loans, ratios are 29/41. These cannot be exceeded unless there are significant compensating factors.

Underwriting: **The first mortgage lender will perform the underwriting using established credit guidelines for the particular program. The Agency will provide oversight of this function and may require credit explanations or payoff of collections if deemed necessary and prudent.**

There may be no unpaid judgments or involuntary liens at the time the CalHome loan is recorded.

First Mortgage Restrictions: Borrower shall obtain the maximum first lien mortgage loan with a term and interest rate from a mortgage lender consistent with affordable housing costs outlined above.

The term of the loan shall be 30 years. Mortgage loans shall not include provisions for negative amortization, principal increases, balloon payments or deferred interest. The first mortgage may be an FHA loan, conventional loan, or CHFA financing.

Fees and charges to the borrower for the first mortgage loan shall be reasonable and must be approved by the CalHome lender.

The first mortgage lender is required to collect and manage impound accounts for payment of taxes, assessments and hazard insurance according to the lender's requirements.

Escrow Prohibitions: Cash transactions and oral agreements outside of escrow are prohibited. Cash out of escrow to the borrower is limited to the amount deposited into escrow by the borrower and not needed for any lender-required minimum downpayment.

Homebuyer Education: The CalHome homebuyer must attend homebuyer education classes. The homebuyer education requirement may be met by taking the following classes:
