Description/Analysis

Issue: In 1977, City Council passed Resolution 77-549 enacting a development impact fee in the Pocket area for the construction of a specified set of bicycle and roadway bridges. The fee is called the Pocket Area Bridge Fee (fee). Analysis by staff of the Departments of Public Works, Parks and Recreation, and Finance has determined that all of the specified facilities have been completed and that there are no additional facilities eligible for use of these funds.

Because there are no other permissible uses for these funds, the actions recommended in this report complete the necessary procedural steps to return the funds remaining to the current owners of parcels that paid the fee, less administrative costs.

Policy Considerations: Adoption of the attached resolutions is consistent with the requirements of the Mitigation Fee Act (Government Code Section 66000 et. seq.).

Economic Impacts: This report does not have direct economic impacts.

Environmental Considerations:

California Environmental Quality Act (CEQA): Under CEQA guidelines, continuing administrative activities do not constitute a “project” as defined in Section 15378 of the CEQA Guidelines and are therefore exempt from review.

Sustainability Considerations: There are no sustainability considerations applicable to the closure process or administration of a special district.

Committee/Commission: None.

Rationale for Recommendation: Adoption is necessary to satisfy the requirements of State law.

Financial Considerations: As of February 1, 2013 approximately \$167,000 remains in the accounting fund created to track this fee. This amount includes the remaining fee revenue and all interest on that revenue. Administrative costs are estimated at \$25,000, resulting in a balance for distribution of \$142,000. Administrative costs include \$15,000 for research and analysis related to the closure of the fund and distribution of the funds and \$10,000 for check mailing and processing.

There are 7,680 parcels eligible for a refund. The average refund is \$18.48, with refunds ranging between \$7.59 and \$2,064.48. The majority of refunds are \$13.92 for 5,856 single family homes. State law requires the refund of any amount to the current owner. There is no *de minimis* allowance.

Refunds are calculated by allocating the available balance in proportion to the amount paid. For example, a single family parcel paid a \$150 fee and will receive a \$13.92, or a 9% refund. This percentage holds true for all land use types.

Emerging Small Business Development (ESBD): There are no ESBD considerations as there are no goods or services being purchased.

BACKGROUND

Resolution 77-549 implemented the Pocket Area Bridge Fee effective September 13, 1977. Approximately one-quarter of the affected area was already developed at that time, so these parcels paid no fee. The City directly paid the fair share for the developed parcels. For the remaining parcels, the fee was due at recordation of a final map or issuance of a building permit.

The records of which parcel paid a fee are incomplete before 1999. To address this problem, the Assessor record of the year a structure was built was used. Also, structures built in 1977 and 1978 were excluded because the maps creating these parcels predated the district and should not have paid the fee.

Current owners were identified from the last equalized assessment roll, which is issued quarterly, supplemented by additional property record information as of January 4, 2013 for all parcels.

RESOLUTION NO.

Adopted by the Sacramento City Council

ACCEPTING COMPLETION AND DIRECTING FILING OF NOTICE OF COMPLETION OF FEE DISTRICT PUBLIC WORK

BACKGROUND

- A. The City Council has previously formed the following Fee District ("District") under the section 66484 of the California Government Code by Resolution 77-549:

Pocket Area Bridge Fee District

- B. The Funding and Project Development Supervisor for the Department of Public Works of the City has, for the above District, filed with the City Clerk of the City a certificate of completion of all of the work to be done for said Districts under and pursuant to the Resolution that formed the District. Said Notice of Completion is incorporated herein as Exhibit A;
- C. It appears to the satisfaction of the City that said work has been fully completed and done as provided in said Resolution and the plans and specifications therein referred to.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The City Council finds and determines that the Background statements A through C are true.

Section 2. The City Council directs that acceptance of completion of said work be, and is hereby, made and ordered.

NOTICE OF COMPLETION OF PUBLIC WORK

The City of Sacramento, a political subdivision of the State of California, completed certain public work on real property located within the following Fee District:

Pocket Area Bridge Fee District
(Resolution 77-549)

NOTICE IS HEREBY GIVEN that the public work, for which fees were assessed to pay for said public work, was completed.

The undersigned certifies under penalty of perjury that he is Funding & Project Development Supervisor for the Department of Public Works, City of Sacramento, State of California, is the engineer representing said City, and that the foregoing is true and correct.

Dated at Sacramento, California, this 14th day of January, 2013

Ryan Moore,
Funding & Project Development Supervisor
Department of Public Works
City of Sacramento

RESOLUTION NO.

Adopted by the Sacramento City Council

DECLARING THE POCKET BRIDGE FEE DISTRICT FUND AS SURPLUS, RESCINDING RESOLUTION 77-549, ORDERING THE DISPOSITION OF SURPLUS AMOUNTS, AND RELATED FINANCIAL TRANSACTIONS

BACKGROUND

- A. The City Council has previously adopted Resolution 77-549 to order the construction of improvements in the Pocket Area Bridge Fee District ("District") under the provisions of section 66484 of the California Government Code;
- B. The City Council has by Resolution 2013-____, adopted February __, 2013, accepted a Notice of Completion of District Public Work;
- C. Due the completion of all projects, all remaining funds are surplus funds and Resolution 77-549, requiring the construction of the improvements and the collection of the associated fee, can be rescinded;
- D. Surplus funds total \$167,000, and;
- E. California Government Code Section 66001 specifies the return of surplus funds to the current property owner of record less administrative costs in a manner most practical to the circumstances.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds and determines that the Background statements A through E are true.
- Section 2. The City Council in accordance with Section 66001 of the Government Code of California, declares the balance of the Pocket Area Bridge Fee as surplus and rescinds Resolution 77-549 (Exhibit A).
- Section 3. The City Council orders the disposition of said surplus funds by means of direct refunds to the property owner of record as of January 4, 2013.
- Section 4. The City Manager is hereby authorized to complete all necessary financial transactions to distribute the \$167,000 in surplus funds as follows:

\$142,000 To Property Owners

\$25,000 To Administrative Expenses

Section 3 The City Manager is further authorized to refund Property Owners in accordance with Exhibit B.

RESOLUTION NO. 77-542

Adopted by The Sacramento City Council on date of

SEP 13 1977

RESOLUTION FORMING POCKET AREA BRIDGE FEE DISTRICT
PURSUANT TO ARTICLE XII OF CHAPTER 40 OF THE
SACRAMENTO CITY CODE

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

WHEREAS, on March 23, 1976, the South Pocket Plan was adopted by the Sacramento City Council as a refinement of the General Plan;

WHEREAS, on December 21, 1976, the North Pocket Specific Plan was adopted by the Sacramento City Council as a refinement of the General Plan;

WHEREAS, the circulation elements of both the North Pocket and South Pocket Plans specify bridge crossings as being required for motor vehicles, bicycles, and pedestrians;

WHEREAS, with the exception of Pocket Road Bridge which must be widened in order to conform to its requirements as set forth in the South Pocket Specific Plan, none of the bridges set forth in said circulation elements have been constructed, and all bridges to be built are original bridge facilities;

WHEREAS, Section 66484 of the Government Code within the Subdivision Map Act authorized the adoption of an ordinance to provide for the payment of fees as a condition of approval of a final map or as a condition of issuing a building permit to defray cost of constructing such bridges;

WHEREAS, by Ordinance No. 3903, Fourth Series, the Sacramento City Council has adopted Article XII of Chapter 40 which authorizes the formation of districts representing areas to be benefited by proposed improvements and requiring the payment of a fee as a condition of approval of the final map or the condition of issuing a building permit for the purposes of constructing bridges within such area;

WHEREAS, said ordinance does not provide for any payments to be made by the owners of existing dwelling units and other buildings which have been constructed prior to this time;

WHEREAS, a Resolution of Intention to form a Pocket Area Bridge Fee District was adopted by the Council on August 23, 1977;

WHEREAS, pursuant to said Resolution the Council has held a public hearing regarding the proposed District on September 13, 1977;

WHEREAS, a majority of the owners of the property within said proposed District have not protested its formation;

SEP 13 1977

RESOLUTION No. 77-542

WHEREAS, it has been established by competent evidence that the formation of the District will provide to all property within the district benefits commensurate with the fees assessed;

NOW, THEREFORE, the Council of the City of Sacramento hereby forms a Pocket Area Bridge Fee District to provide for the payment of the cost of constructing bridges for motor vehicle, bicycle, and pedestrian use within such area in accordance with Article XII of Chapter 40 of the Sacramento City Code and Section 66484 of the Government Code, and as more particularly set forth herein as follows:

1. Boundaries of area of benefit.

All that portion of the City of Sacramento, County of Sacramento, State of California, described as follows:

Beginning at a point on the easterly bank of the Sacramento River, said point also being the north-east corner of Lot B as shown on the official plat of Riverview Estates Unit No. 2 as same is recorded (in Book 92 of Maps, Page 12) in the office of the Recorder of Sacramento County; thence from said point of beginning along the easterly boundary line of said Riverview Estates southerly to the southwesterly production of the center line of Riverside Boulevard; thence along the center line of Riverside Boulevard northeasterly to the center line of 35th Avenue; thence along the center line of 35th Avenue easterly to the westerly right-of-way line of I-5 Freeway; thence along the westerly right-of-way line of I-5 Freeway southerly to the westerly right-of-way line of the Southern Pacific Railroad Company (Walnut Grove Branch); thence along the westerly right-of-way line of the Southern Pacific Railroad Company southerly to the easterly bank of the Sacramento River; thence meandering upstream along said easterly bank of the Sacramento River to the point of beginning.

2. Description of bridges. The City proposes to construct five (5) street bridges and five (5) pedestrian and bicycle bridges across canals and major streets and to widen existing Pocket Road Bridge as shown on the attached map labeled "Exhibit A" and incorporated herein by this reference.

3. Cost of Construction. The estimated cost of construction of the bridges including right-of-way, design and contract administration is \$1,551,000.00.

4. Contribution of funds by city. The City of Sacramento will contribute an estimated 25% of the funds or \$386,000.00 for bridge improvements. The estimated city contribution is based upon the amount of land on which there is existing development.

5. Fee apportionment. The Pocket Area is bounded by the Sacramento River and I-5 Freeway. Based upon the design of streets and limitations for traffic in and out of the Pocket Area, it is anticipated that all persons residing within the Pocket Area will use the bridges to travel throughout the neighborhood

SEP 13 1977

RESOLUTION N~~6~~7-549

to use commercial, educational and recreational facilities and for social, business, and other trips. Consequently, all the property within the Pocket Area is found to equally benefit from the construction of the bridges. The basis for apportionment of the fees therefore is according to the use of the property. This will determine the fee for each subdivision or building permit. The city will contribute the share of bridge fees attributable to land upon which buildings have been constructed prior to formation of the bridge fee district.

6. Determination of fees. The following fee schedule shall be applicable to all developments according to the number of dwelling units and acreage based upon the zoning of the property.

Zoning	Fees Per Net Acre	Fees Per Dwelling Unit
Agricultural (A) (A-OS) (F)	490.00	110.00
Residential		
Single Family (R-1)	490.00	110.00
Townhouse and Duplex (R-1A, R-2)	595.00	75.00
Multi Family (R-2A, R-2B, R-3, R-4, R-5)	1,295.00	60.00
Mobile Homes (any zone- based upon issuance of special permit)	660.00	55.00
Commercial and Industrial (all other zones)	1,295.00	

The term "net acre" means all property exclusive of property owned or offered for dedication in fee to the City of Sacramento.

A. Final Subdivision Maps. Fees will be collected as a condition of approval of a final Subdivision Map as follows:

(1) For subdivisions creating single family dwelling development in the R-1 zone, fees will be collected on a dwelling unit basis. Corner lots in the R-1 zone will be counted as two units, and measured by the duplex rate.

(2) Fees for all other lots on a subdivision map will be collected on net acre figures for the applicable zoning, provided, however, that no fees shall be collected at the time of filing the subdivision map for property which is zoned agricultural but is designated for other land uses on the applicable specific plan.

(3) When fees are collected at the final subdivision map stage for a particular parcel of property no additional fee will be collected at a later date nor will reimbursement be provided if the zoning or subsequent use of the property would reduce the fee that would be required.

B. Building permits. Fees will be collected at the time of issuance of a building permit upon any parcel of property or portion of a parcel or property for which no fee has previously been collected.

(1) Fees will be collected per dwelling unit for single family, duplex, townhouse, multi-family and mobile home building permits.

(2) Fees for building permits for all other uses will be collected on net acre figures for the zoning applicable to the parcel or the portion of the parcel which is to be used or developed in connection with the activities for which the building permit is sought.
