Dear Mr. Baroni:

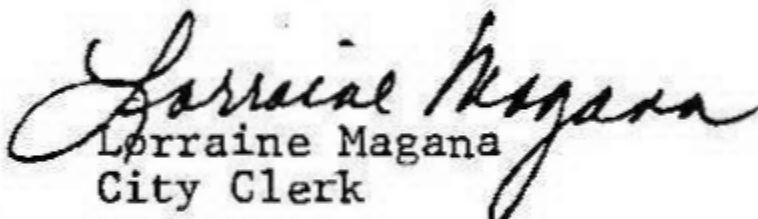

Pursuant to our conversation of July 21, 1981, the matter of placement of parking regulations without notice to property owners will be on the City Council agenda of July 28, 1981.

The City Council meets at 7:30 p.m. in the Council Chamber, Second Floor, City Hall, 915 "I" Street, Sacramento California.

Enclosed for your information is the report of the Traffic Engineer which was before the City Council on June 23, 1981. Apparently, you did not receive notice that the matter was before the Council on that date.

If you have any further questions regarding this matter, please feel free to call me.

Sincerely,

Lorraine Magana

Lorraine:

Apparently Mr. Baroni and the other folks who were interested did not receive notice of the report back from the Traffic Engineer regarding the recently imposed parking restrictions along La Riviera Drive which was scheduled before the City Council for hearing. Would you please coordinate with Mr. Baroni at 381-3981 and have this item agended so that he can approach the full Council.

Thank you for your assistance.

Cordially,

Lloyd G. Connelly
City Councilman
District 6
