SUBJECT: Recommendation for Appointment to Old Sacramento
Variance Appeals Board

Dear Anne,

On March 4, 1985, the Sacramento Housing and Redevelopment Commission recommended Commissioner Carl Amundson as the Commission representative to the Old Sacramento Variance Appeals Board. The Commission also recommended continuation of Commissioner Teramoto as the alternative representative.

The appointment of Commissioner Amundson would replace Commissioner Phil Angelides who is presently representing the Commission on the Board.

It is our understanding that appointment to the Old Sacramento Variance Appeals Board is subject to approval of the City Council. The City Clerk indicated that upon receipt of this letter she would proceed with appropriate action by the City Council.

Sincerely,
