Honorable Members In Session:

SUBJECT: Joint Use Agreement with P.G. & E. on Royal Oaks Drive

BACKGROUND INFORMATION

In order for the Sacramento Regional County Sanitation District to construct Section 1 of the Dry Creek Interceptor in Royal Oaks Drive, it will be necessary for P.G. & E. to relocate a 2 inch gas main from the west side to the east side of the street. Since P.G. & E. had prior easement rights within the existing public right of way, this agreement will transfer their rights over the new location.

FINANCIAL DATA

The cost of relocating the existing gas main will be borne by the Regional Sanitation District.

RECOMMENDATION

It is recommended that the attached Resolution Authorizing the City Manager and City Clerk to execute a Joint Use Agreement with P.G. & E. be adopted.

Respectfully submitted,

R. H. Parker
City Engineer
