SUMMARY

This ordinance will provide for the addition of recent amendments to the City Code and the Zoning Ordinance, and to correct the errors, mistakes or omissions as found upon review; additionally, the ordinance will provide for the inclusion of amendments to both the City Code and the Zoning Ordinance attributable to several recent ordinances which were not incorporated into the City Code update adopted on May 23, 2000.

In order to have the amendments and corrections effectuated by this ordinance take effect July 1, 2000 with the newly revised City Code, it is necessary that this ordinance be enacted as an emergency ordinance. It therefore requires a two-thirds vote.
