Councilman Bronson addressed Council, reading a letter from J. C. Womack, State Highway Engineer, to Robert B. Bradford, State Director of Public Works, concerning the position of the Division of Highways in connection with rebuilding the Capitol Mall.

City Planning Director Richard Rathfon addressed Council, explaining in detail the plan presented by the State Division of Highways, and revisions suggested by the Capitol Mall Advisory Committee which were indicated on the plan.

After discussion, Councilman Bronson moved that the City Council approve the State Division of Highways plan for the development of the Capitol Mall with the following changes:

4-Lane Cross Section - 6th to 9th Street

- 20' wide foundation planting area (building to sidewalk)
- 8' wide sidewalk
- 8' wide planting strip for street trees
- 24' wide pavement - two 12' lanes
- 60' wide median strip traffic divider

4075

6-Lane Cross Section Front to 6th Street

- 20' wide foundation planting area
- 8' wide sidewalk
- 8' wide planting strip

The plan as adopted by the City Council in regard to the area from Front to Sixth Street conforms to the Division of Highways plan insofar as a 36' wide pavement and a 36' wide median strip traffic divider are still satisfactory. The only changes in the area from Front to 6th Street are the three suggested items set forth above.
