RESOLUTION OF INTENTION TO ANNEX TERRITORY; TO ORDER THE PROVISION OF MAINTENANCE, AND SERVICES OF IMPROVEMENTS WITHIN THE ANNEXED TERRITORY; AND TO LEVY AN ASSESSMENT WITHIN THE ANNEXED TERRITORY TO PAY FOR THE MAINTENANCE, AND SERVICE OF IMPROVEMENTS

RECITALS:

A. The City Council has previously formed the Neighborhood Landscaping District under the Landscaping and Lighting Act of 1972 (part 2 of division 15 in the Streets and Highways Code, beginning with section 22500) (the 1972 Act).

B. Centex Homes, a Nevada General Partnership (Landowner), is the sole owner of the territory described in Exhibit A. Landowner has applied for a subdivision map covering this territory, and one of the conditions of approval for the subdivision map requires Landowner to annex the territory to the district. To fulfill this condition, Landowner has presented a petition to the City requesting that the City commence proceedings for annexing the territory to the district in accordance with the 1972 Act.

C. The City has installed, constructed, or acquired within the territory described in Exhibit A, or will subsequently install, construct, or acquire, the public improvements generally described in Exhibit B. The City will also maintain and service these improvements in the manner generally described in Exhibit B. To finance the cost of providing the maintenance, and service of improvements, and as requested by Landowner, the City Council proposes to annex to the district the territory described in Exhibit A.

D. By Resolution No. 2005-_____, and in response to the Landowner's petition, the City Council (1) initiated proceedings to annex to the district the territory described in Exhibit A; (2) designated the Development Engineering and Finance Manager of the Development Services Department to be the Engineer for purposes of the annexing the territory to the district and levying an assessment to finance the maintenance, and service of improvements generally described in Exhibit B; (3) directed the Engineer to prepare and file with the City Clerk a map of the territory to be annexed, as required by Streets and Highways Code section 3110; and (4) directed the Engineer to prepare and file with the City Clerk the engineer's report required by section 4 in article XIID of the California Constitution and article 4 (commencing with

Streets and Highways Code section 22565) in chapter 1 of the Streets and Highways Code.

E. As directed, the Engineer has prepared and filed with the City Clerk (1) a map entitled "Boundaries of Annexation No. 26 to the Neighborhood Landscaping District which shows the proposed boundaries of the territory to be annexed (the Boundary Map); and (2) an engineer's report prepared in accordance with section 4 in article XIID of the California Constitution and article 4 (commencing with Streets and Highways Code section 22565) in chapter 1 of the Streets and Highways Code (the Engineer's Report). The City Clerk presented the Boundary Map and the Engineer's Report to the City Council for consideration, and, after considering them, the City Council approved the Boundary Map and preliminarily approved the Engineer's Report by Resolution No. 2005-_____.

F. The City Council finds and determines that providing the maintenance, and service of improvements within the boundaries of the annexed territory, as shown on the Boundary Map filed with the City Clerk, is necessary, convenient, and desirable.

BASED ON THE FOREGOING RECITALS, THE CITY COUNCIL OF THE CITY OF SACRAMENTO RESOLVES AS FOLLOWS:

DATE, TIME, AND PLACE OF PUBLIC HEARING

At the public hearing, the City Council will hear all protests against the proposed assessment from record owners of property within the territory to be annexed. The City Council will also accept testimony from all interested persons, whether or not they own property within the territory to be annexed.

THE ASSESSMENT

The proposed assessment will be charged annually to the annexed territory so long as the improvements described in Attachment B require the maintenance and service described in Attachment B. The total amount of the proposed assessment to be charged to the district during fiscal year 2005/2006 will be **\$8,150.00**.

According to the official records of Sacramento County, you own the real property identified by Assessor's Parcel Number in Attachment C to this notice. Attachment C also shows the amount the City Council proposes to assess against your property during fiscal year 2005/2006.

In subsequent years, the assessment amounts shown above may be **increased for inflation at a rate not to exceed 3% a year**. Attachment D to this notice describes the basis on which the amount of the proposed assessment was calculated.
