

RESOLUTION NO. 2008-215

Adopted by the Sacramento City Council

April 10, 2008

NORTH POINT WAY RESIDENTIAL PERMIT PARKING AREA

BACKGROUND

- A. In 1978 City Council approved a resolution to create the Residential Permit Parking Program within the City of Sacramento for the purpose of reducing traffic conditions, protecting neighborhoods from excessive noise, trash and refuse caused by the entry and exit of such motor vehicles, and ensure on-street parking is available for residents and their guests.
- B. The City created a maintenance service road from North Point Way up to the levee. During evenings, fishermen have been using the road to access the levee, and when they return after midnight they congregate near their vehicles, creating loud noise disturbances, while leaving trash and alcohol containers on the streets and in residential yards.
- C. Community meetings were held in the North Point Way neighborhood, and residents requested the City create a residential permit parking area for residents and their guests and to restrict parking, except with permit, from 11:00 p.m. to 6:00 a.m., seven days per week. The "tow away no parking from 6:00 p.m. to 6:00 a.m." restriction on the west side of North Point Way, fronting the levee, will remain as is.
- D. 32 letters were mailed to the affected residents and property owners. Of those, 69% responded with 95% voting in favor of the proposal.
- E. Each resident will be allowed to obtain a residential parking permit sticker for vehicles registered to their address and two visitor permits.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1.** To create a residential permit parking area in the residential neighborhood adjacent to North Point Way, Reyes Court and Kathy Court and restrict parking, except with permit, between 11:00 p.m. and 6:00 a.m., seven days per week.
