Honorable City Council  
City Hall 9th & Eye  
Sacramento, California

Honorable Members:

We are writing to request the approval of a street name to be used in our Relocation Project at the River Oaks Housing Project.

Due to being in the path of a State Freeway, the Housing Authority of the City of Sacramento had to relocate 84 dwelling units on another site just adjacent to our present River Oaks Project on Vallejo Way between 3rd street and 5th Street. This area consists of one street in the form of a circle and we wish to reserve the name of: RIVER BEND CIRCLE to be used for this area.

Your approval in this matter will be appreciated.

Yours truly,

HOUSING AUTHORITY OF THE  
CITY OF SACRAMENTO
