#### **BACKGROUND**

- A. On May 7, 2019, the Sacramento Area Council of Governments (SACOG) announced a call for projects for the 2019 Regional Flexible Funding Program. This is a one-time funding round to complete the 2018/2019 funding cycle. SACOG estimates awarding \$54.5M in funding with up to a 10% contingency.
- B. The program is broken down into three categories: 2018 Partial Projects, State of Good Repair, and Planning & Project Development. Applicants may only apply for one of the three program funding categories, each with its own unique eligibility, screening, and selection criteria. Staff has reviewed the guidelines for the program and recommends applying in the 2018 Partial Projects category with the Del Rio Trail Project (K15165100) and the I Street Bridge Replacement Project (T15136000).
- C. On March 26, 2019, an Environmental Impact Report for the Del Rio Trail Project (K15165100) was approved by City Council. Staff is requesting to transfer funding from the State and Federal Grant Match Program (T15007200) to the Del Rio Trail Project (K15165100) to begin preparing project plans and securing the necessary property rights to construct the project.
