PUBLIC HEARING
August 2, 2005

Honorable Mayor and
Members of the City Council

Subject: Special Assessment: Liens Upon Properties for Unpaid Utility Services Charges, Unpaid Sidewalk Repair Fees and Unpaid Weed Abatement Fees

Location/Council District: Citywide

Recommendation:

Conduct a public hearing and upon conclusion adopt 1) a Resolution placing liens on the properties for unpaid Utility Services charges 2) a Resolution placing liens on the properties for unpaid costs of Sidewalk Repairs performed; and, 3) a Resolution placing liens on the properties for unpaid Weed Abatement.

Contact: Brad Wasson, Revenue Manager, 808-5724
Bill Spencer, Administrative Officer, 808-7827

Presenter: Brad Wasson, Revenue Manager

Department: Finance Department

Division: Revenue Division

Organization No.: 1121

Summary:

Staff recommends that the Mayor and Council approve property liens for unpaid costs related to specific properties. For the three types of unpaid costs listed above, an individual notice describing the protest hearing process was provided to each affected property owner. This public hearing is for City Council to confirm special assessment liens against the properties.

Committee/Commission Action: None.

Background Information:

Sacramento City Code Title 13, Title 12, Chapter 8.04 and Chapter 8.96 set forth an administrative appeal process for all property owner protests to special assessment liens against the properties for unpaid costs.

All property owners were noticed of the unpaid and/or delinquent costs, provided an opportunity to resolve the issue with City staff, and were then provided an opportunity for a hearing before a Delinquency Lien Hearing Officer if they so requested. Attachment 1 is a summary listing, by type, of the number and total amount of unpaid costs, the number of protests received, and the number of hearings held before the Delinquency Lien Hearing Officer.

Attachments 2, 3 and 4 are listings, by type, of each protest received and the final disposition of each protest. The findings of the Delinquency Lien Hearing Officer for each hearing held are included.

Financial Considerations:

The unpaid fees and charges total to \$4.7 million that the Sacramento County will guarantee to collect on behalf of the City.

Collection costs associated with the lien process are included in the Revenue Division's operating budget.

Environmental Considerations:

Pursuant to Section 15378 (b) (3), this is not a project under the California Environmental Quality Act (CEQA).

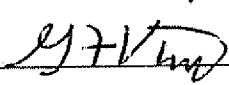

Policy Considerations:

This lien process is consistent with the City's delinquent collection policy.
