RE: Response to Field Inspector on Plan 2400/2624. This letter is our Job # 01-0494.

Dear Mr. Thorstensen:

Following are the response to the field inspectors comments on the aforementioned plan:

With regards to Truss H over the turret on Elevation A

Please be advised that it does not have an adverse affect on the structural design if Truss H is placed such that it runs front to back instead of left to right as shown on the plan.

With regards to the drag truss at the front of the 2-Car Garage

Please use the attached detail.

If there are any questions or further clarification needed on these matters please feel free to contact me at (916) 564-6028.

Sincerely,

Jeffrey E. Hofmann, P.E.
