## **Description/Analysis**

**Issue Detail:** The Commission needs to discuss and select Ad Hoc Membership to evaluate Sacramento Police Department training and protocols related to interactions with people living with mental illness or substance abuse disorders.

After selecting membership for this Ad Hoc, the Ad Hoc committee will be tasked with a) Identify and stay up-to-date with the then-current status of related Sacramento Police Department's training and protocol programs, b) research best practices and ways the Commission can engage the community, and c) provide status reports of the aforementioned to the Commission.

At the March 2018 SCPRC meeting, a Motion was passed to create an Ad Hoc group to evaluate SPD training and protocols related to this topic. A presentation was requested (Item 5 of this Agenda) to bring the commission information regarding SPD's current programs. Following the presentation, the commission will take the next step and form the Ad Hoc.
