RE: Old Sacramento Business Improvement Area

Dear Sir,

The City Attorney was directed to file a report with the Council for a revised ordinance to be on the agenda for January 20th. This is to request a 2 week delay to February 3rd because I will be unable to attend the January 20th Council session. I would like very much to speak to the Council about this issue.

Thank you for your consideration.

Yours sincerely,

Maynard D. Nelson
