

Youth of the Month Award

Dennis Brewer

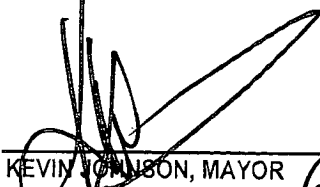

Congratulations, you have been selected as the City of Sacramento *Youth of the Month*. This prestigious award is only given to one outstanding youth in Sacramento each month. The selection process was competitive and the City of Sacramento Youth Commission and City staff members enthusiastically selected you as the award recipient.

The Youth of the Month Program is designed to highlight good deeds and accomplishments of youth in the City of Sacramento. Your award will be presented at a Sacramento City Council Meeting. You will also receive a plaque, a \$200 award and be invited to attend an annual dinner of all awardees to be hosted by the Office of Youth Development.

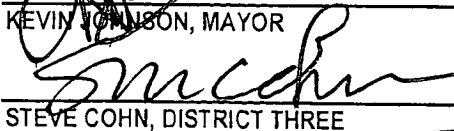

We are inspired that you have the resilience and determination to set your own goals and go after them with passion and commitment. You chose to overcome the negative aspects of your environment, resisting gangs and drug use, despite outside pressures from your immediate surroundings.

Through your participation in the afterschool program at Luther Burbank High School, you have been committed to your academic achievement, including taking college preparatory coursework and working toward your goal to be the first man in your family to graduate high school. Your active leadership on the Titan HYPE dance program not only promotes physical activity and allows you to showcase your dance skills at local competitions, but also provides opportunities for you to serve as a mentor to middle school students and help prepare them for high school.

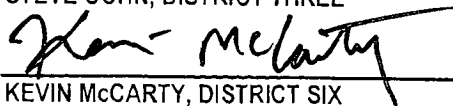

We admire your hard work and strength of character. Congratulations!
