Honorable Members in Session:

SUBJECT: Authorization to Submit Grant Proposal to the Sacramento Employment and Training Agency

#### SUMMARY

This report recommends authorization for the City Manager to submit a grant proposal to the Sacramento Employment and Training Agency on behalf of the Recreation Division of the Department of Parks and Community Services. The proposal is for funding to operate the Summer Youth Employment and Training Program (SYETP) for the Department of Parks and Community Services.

#### BACKGROUND INFORMATION

The Sacramento Employment and Training Agency (SETA) administers the federally funded SYETP and requests grant proposals on an annual basis for the SYETP/JTPA Title IIB Program. The grant proposal from the Recreation Division is in response to this request.

This grant proposal is in the amount of \$261,653 and is for the operation of the SYETP as proposed by the Recreation Division. This proposal would provide employment and training for 175 youth between the ages of 14 and 21 during the summer. The duration of training would be from June 17 to August 31, 1985, inclusive. Participants would receive job training in a variety of skill areas within all divisions of the department. Additional training will also be provided in the areas of job searching and job development. In previous years this department has been a user of SYETP participants, and this has caused much operational inconvenience to the various divisions due to their varying job assignment requirements. By having direct control of the program, we can provide a more effective training program for the youth as well as meeting the operational requirements of each division.
