

- a. the proposed addition will not significantly alter the character of the single family residential neighborhood; and
  - b. the addition is adjacent to the driveway and garage of the neighbor to the west.
3. The project, as conditioned, does not constitute a use variance in that single family residences are permitted in the R-1 zone.
4. The proposed addition is consistent with the General Plan which designates the site low density residential (4-15 du/na).
