

RESOLUTION No. 348

Adopted by The Sacramento City Council on date of

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

That the Southern Pacific Company be, and it is hereby, granted a revocable permit to drill a 6" hole through the City's retaining wall located on the easterly bank of the Sacramento River, this city, for the purpose of laying a submarine cable across the Sacramento River and connecting same in a Western Union Telegraph Company manhole.

Said drilling and installation shall be made in the manner and with such materials as shall be required by the City Engineer and in accordance with drawing of same attached to the application of said Southern Pacific Company; and the hole, after the cable is drawn, shall be completely filled with tamped Portland cement and made watertight, as directed by said City Engineer.

This permit is granted upon the further condition that said Southern Pacific Company shall protect and save harmless the City from all damage, costs and causes of action which might arise from said drilling and installation.

This permit is granted in pursuance of application heretofore filed by said Southern Pacific Company.

Adopted by the City Council on date of September 12th, 1938. by the following vote:

AYES: Anderson, Arnold, Bidwell, Coughlin, Harry, Kunz, Monk, Truesdale, Welsh.
