

## **RESOLUTION NO. 2019-0144**

Adopted by the Sacramento City Council

May 14, 2019

### **Approving Engineer's Annual Report and Intention to Order Maintenance of Improvements for the Neighborhood Landscaping District for Fiscal Year 2019/20 (Pursuant to Landscaping and Lighting Act of 1972)**

#### **BACKGROUND**

- A. The Neighborhood Landscaping District (the District), as depicted in Exhibit A, was established by the City Council and approved by the property owners on July 29, 1991.
- B. The City Council established the District under the Landscaping and Lighting Act of 1972 (Part 2 of Division 15 in the Streets and Highways Code, beginning with Section 22500) (the 1972 Act), and has previously levied assessments on property in the District to pay for landscaping maintenance services and related services to be provided within the District, all in accordance with the 1972 Act.
- C. The District has 34 subdivisions with assessments that change by varying amounts primarily based on the operational needs of each subdivision. Seventeen subdivisions will be assessed the maximum allowed amount for Fiscal Year (FY) 2019/20. In eight of these subdivisions, the maximum and actual assessments are increasing by the permissible change in the Consumer Price Index, which is 3.87%. The average increase in actual assessments in all 34 subdivisions is 4.00% from the current FY2018/19 assessments.
- D. On March 26, 2019, the City Council directed the Supervising Engineer of the Department of Public Works, designated by the City Council as the Engineer of Work for the District, to file an annual report in accordance with the provisions of the 1972 Act (Resolution No. 2019-0087).

#### **BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

- Section 1. The City Council finds and determines that the background statements A through D are true and correct.
- Section 2. The City Council hereby approves the Engineer's Annual Report for FY2019/20 on file in the City Clerk's Office.

Section 3. The City Manager is authorized to make any necessary budgetary adjustments associated with the approval of the Engineer's Annual Report for FY2019/20.

Section 4. The City Council intends to levy and collect assessments within the District during FY2019/20. The area of land to be assessed is in the City of Sacramento, Sacramento County.

Section 5. The maintenance of improvements to be made in this District is generally described as follows:

The maintenance or servicing, or both, of any of the landscaping, water irrigation and masonry walls, including: (a) repair, removal or replacement of all or part of any improvement; (b) the provision for the life, growth, health and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing or treating for disease or injury; (c) the removal of trimmings, rubbish, debris and other solid waste; and (d) the furnishing of water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.

Section 6. In accordance with the City Council's resolution directing the filing of an annual report, the Engineer of Work has filed the report required by the 1972 Act with the Public Improvement Finance Division. All interested parties are referred to that report for a full and detailed description of the improvements, the boundaries of the assessment district, and the proposed assessments upon assessable lots and parcels of land within the assessment district.

Section 7. At the hour of 5:00 pm on Tuesday, June 4, 2019, the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City Council located in the New City Hall, 915 I Street, First Floor, Sacramento, California.

Section 8. Assessments for all subdivisions within the District are at or below the highest authorized amount for this district, as shown on Exhibit B.

Section 9. The City Clerk is authorized and directed to give the notice of hearing required by the 1972 Act.

Section 10. Exhibits A and B are part of the resolution.
