

RESOLUTION NO. 2009-669

Adopted by the Sacramento City Council

October 27, 2009

APPROVE PLAN FOR HELIPORT AT CHP HEADQUARTERS AT 601-C NORTH 7TH STREET

BACKGROUND

- A. The California Highway Patrol (CHP) is consolidating its headquarters at 601 North 7th Street in the River District.
- B. As part of the consolidation, the CHP has proposed developing a rooftop heliport for CHP's use, which will operate an estimated 50 times a year. The CHP will also allow use of the heliport by its allied public safety agencies, including the City of Sacramento Police and Fire Departments.
- C. Under California Public Utilities Code Section 21661.5, the Sacramento City Council is required to approve the CHP heliport plan before the State of California Department of Transportation, Division of Aeronautics can issue a permit. The Division of Aeronautics has permit authority over public use and special-use airports and heliports in California.
- D. A Negative Declaration was prepared for the CHP headquarters consolidation project and found that the heliport operation would not have a significant impact on the environment.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The CHP heliport plan as shown in the attached Exhibit A is hereby approved as provided for under California Public Utilities Code Section 21661.5..

Table of Contents:

Exhibit A Heliport Plan

Adopted by the City of Sacramento City Council on October 27, 2009 by the following vote:

Ayes: Councilmembers Cohn, Fong, Hammond, McCarty, Pannell, Sheedy, Tretheway, Waters, and Mayor Johnson.

Noes: None.

Abstain: None.

Absent: None.

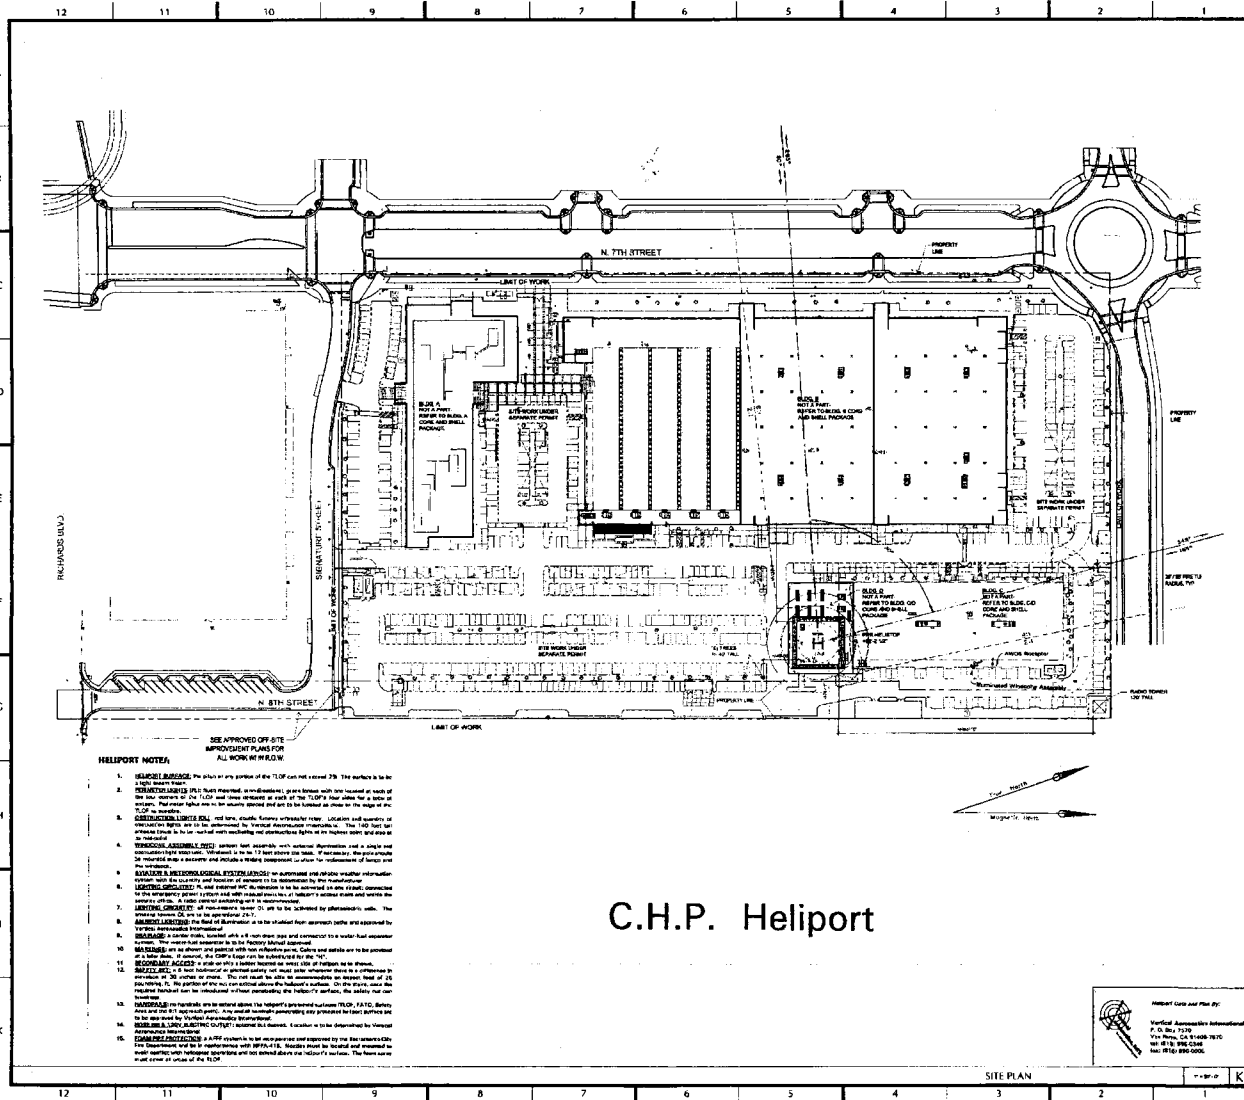

Mayor Kevin Johnson

Attest:

Shirley Concolino, City Clerk
