Honorable Members in Session:

SUBJECT: Handicap Access to the SAEOC Building at 3418 Broadway

SUMMARY:

At the January 6, 1981 meeting, Mr. George Giannini appeared before the Council concerning the lack of handicap access to the building at 3418 Broadway currently occupied by SAEOC. Staff checked Building Inspection records for this building and it was found that the owner had taken out a permit to provide handicap access. Consequently, when this work is completed, the matter should be resolved.

Respectfully submitted,

R. H. PARKER
City Engineer
