Agency's obligation to make the Loan is subject to satisfaction of all the following terms and conditions and Borrower's execution of documentation that is in a form and in substance satisfactory to the Agency.

The Loan shall be made on standard Agency loan documents. No loan terms not in this funding commitment and the attached loan document forms shall be included in the final loan documents without additional environmental review and governing board approval. In the event of any discrepancies between terms stated in this commitment and the loan documents, the terms stated in the loan commitment letter shall be deemed to be terms of this commitment.

Unless otherwise agreed in writing by the Agency in exercise of its absolute discretion, the following shall be considered conditions to Agency approval of a financing commitment. The Agency may, in exercise of its absolute discretion, modify its requirements upon written notice to Borrower given at least sixty days prior to close of escrow for the Property.

This commitment will expire June 30, 2005.

1. PROJECT DESCRIPTION: The project is a 47 space mobile home park located on a 4.56 acre lot in the North Laguna Creek neighborhood of the City of Sacramento.

Borrower acknowledges that, as a condition of the Agency's making of the Loan, the Property will be subject to restrictions on future sales and rentals which may result in less income to Borrower than could otherwise be

realized, and that such restrictions run with the land, and during their operational term, will bind all successors in interest.

_____ (Borrower Initial)

Borrower acknowledges that every contract for new construction or rehabilitation construction of housing that includes 8 or more units assisted with CDBG funds will contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a-5), to all laborers and mechanics employed in the development of any part of the housing. - 10. APPROVAL OF DISBURSEMENTS: Borrower shall submit all disbursement requests to the Agency simultaneous to lender, tax credit investor, and/or any other funding source for the project for approval. Agency shall have five business days from the date of a complete disbursement request to approve or deny, in whole or part, such disbursement request. Agency shall only approve disbursements of the Loan based on a cost breakdown that restricts disbursements to line items in cost categories in Agency approved budget. Agency shall require that Borrower provide documentation supporting all requests for disbursement of Loan funds. Agency shall conduct inspections of the Property prior to disbursing, or approving disbursement requests, of Loan funds.

If the Agency does not approve a draw request, in whole or part, or the Borrower fails to submit a draw request to the Agency for approval, the Agency loan shall be reduced by the same amount of the disallowed draw item(s).

At completion of construction, Borrower shall submit to Agency a cost certification prepared by a qualified, independent auditor acceptable to Agency, which cost certification shall indicate the amounts actually spent for each item in the cost breakdown. If there is an aggregate savings in the total of all such cost

breakdown items based on the original approved budget for the project, the Agency shall withhold for itself, as loan repayment, one-half of such savings from the amount of retention then held by the Agency, and the loan balance shall be reduced by the amount so withheld. The Agency, in its sole discretion, shall determine any reduction and/or repayment of the Agency loan based upon this cost certification and the original approved budget for the project.

11. ACCELERATION: Agency shall have the right to accelerate repayment of the Loan in the event of a default under any Loan Document or upon sale, transfer or alienation of the Property except as specifically provided for in the Loan documents.
12. MANAGEMENT COMPANY: The Borrower shall contract with a management company approved by the Agency for the management of the project after completion.
13. The Loan shall also be secured by security agreements. The Agency may subordinate said deeds of trust in order to accommodate completion of rehabilitation of the Property.
14. LEASE AND RENTAL SCHEDULE: All leases of the Property and Improvements shall be subject to Agency's approval prior to execution. Borrower shall not deviate from the rental schedule presented in Borrower's application for the Loan without Agency's prior written approval.
15. PROOF OF EQUITY: Borrower shall provide proof of equity for the Property and Improvements in the amount of \$80,000, in the following manner: cash and/or private third lien on the property.
16. OTHER FINANCING: Borrower, as a requirement of the Loan, shall procure and deliver to Agency evidence satisfactory to Agency that Borrower has obtained the following described financing which may be secured by a lien upon the Property and Improvements superior or subordinate to Agency's liens, and which shall be otherwise on terms and conditions acceptable to Agency:

Rehabilitation Financing from the State of California Housing and Community Development in an amount(s) sufficient to complete rehabilitation of the Property according to a scope of work as approved by Agency and made for a term not

less than that specified in the Schedule of Performances for completion of construction, and in any event not less than the time necessary to fulfill all conditions precedent to funding of the permanent financing.

Such commitments for financing shall not require modification of Agency loan documents, or any term of this commitment letter.

Such commitments shall not be based upon sources and uses of Project funds that are different from those approved by Agency for the project or be subject to conditions which require amendment of the DDA, OPA or other agreements.

17. Borrower must, as a condition of disbursement of Loan funds, give assurances satisfactory to the Agency that hazardous materials are not present on the Property or that any hazardous materials on the Property have been remediated and that no further remediation is then required by the environmental agency having responsibility for monitoring such remediation.
19. LOAN IN BALANCE: Borrower will be required to maintain the Loan "in balance". The Loan is "in balance" whenever the amount of the undisbursed Loan funds, the remaining sums to be provided by the Borrower and the loan funds from other project lenders are sufficient, in the sole judgement of the Agency, to pay for the remainder of the work to be done on the project as required by written agreement with the Agency. Should the Agency determine that the Loan is not "in balance", the Agency may declare the Loan to be in default.
20. PLANS AND SPECIFICATION: Final plans and specifications for the project must be in accord with the proposal approved as part of the Loan application.

Borrower shall also deliver a list of all contractors and subcontractors to be employed in connection with the construction of the Improvements. If required by the Agency Borrower shall also submit copies of all bids received for each item of work to be performed as well as copies of executed contracts and subcontracts with acceptable bidders.

All contracts, subcontracts, contractors, and subcontractors shall be subject to Agency's approval prior to close of the Loan. Agency also reserves the right to require performance and material payment bonds on any or all contractors, or in lieu of bond a letter of credit acceptable to Agency.

Agency shall make disbursements of the Loan based on a cost breakdown that lists line items in cost categories. Agency shall require that Borrower provide documentation supporting all requests for disbursement of Loan funds, including proof of work done and actual expenditure. Agency shall conduct inspections of the Property to assure that the work was done before making a disbursement.

23. COST SAVINGS: At completion of construction, borrower shall submit to Agency a cost certification prepared by a qualified, independent auditor acceptable to Agency, which cost certification shall indicate the amounts actually spent for each item in the cost breakdown.
