Bass, Carol Englebright, Fred Hartley, Mary Lou Hawkley, Richard Hendricks, Janice Jorgensen, Nancy M. BACKGROUND INFORMATION

The Mountain-Valley Library System is a consortium of independent city, county, college, university and special libraries who have joined to form a cooperative network, providing interlibrary loans, reference backup and delivery service for a nine-county area in the state of California.

Following intensive review and comparison of like positions within the salary structure of the City of Sacramento, the agreements have been prepared, reviewed and approved by the Executive Council of the Mountain-Valley Library System (May 29, 1980) and subsequently approved by the California State Library under Library Services and Construction Act grant award #40-0190 and California Library Services Act for fiscal year 1980-81.

FINANCIAL DATA

The City of Sacramento, as fiscal agent for the Mountain-Valley Library System, administers funds received pursuant to standard agreements between the State Department of Education, the State Library and the City of Sacramento; there is no obligation on the part of the City of Sacramento to continue personnel employed with project funds after these funds have been expended.
