Honorable Members in Session:

SUBJECT: Resolution Authorizing Change Order No. 1 for the Addition of Four Streets to the Resurfacing City Streets Contract

SUMMARY:

This change order is for the addition of four (4) streets to the Resurfacing of City Streets contract. The City Engineer recommends that the Change Order be approved by passage of the attached resolution.

BACKGROUND:

The streets to be added are as follows:

1. Barstow Street - Del Paso Boulevard to Arden Way
2. Acoma Street - El Monte Avenue to Arden Way
3. Grace Avenue - Bollenbacher Avenue to east side of Kelton Way
4. Gloria Drive - Foxhall Way to 6210 Gloria Drive

These streets were originally part of the proposed resurfacing program for this year and were dropped from the list when the cost estimate for the streets in the current contract was figured to be \$397,102.50 and \$400,000.00 was the budgeted amount for this years program. A contract was awarded for \$333,039.00, which leaves \$66,961.00 available in the current budget.

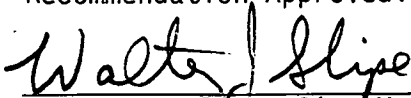

FINANCIAL:

In F.Y. 1980/81 the City Council approved \$400,000.00 in the City Engineer's budget from Gas Tax funds for the subject project of which \$66,961.00 is currently available for these additions. The estimated cost of these additions is \$43,405.40.

RECOMMENDATION:

It is recommended that this Change Order be approved on the basis that the prices are reasonable by passage of the attached resolution.
