Re: **Time for Adjournment Rule**

Honorable Members in Session:

Attached is a resolution which adds a provision to the Planning Commission Rules on the above subject.

This resolution would provide for the establishment, on a meeting-by-meeting basis, of adjournment times. While such a rule is not necessary, in that the Commission can adjourn at any time, it does set forth in advance some indication to the public generally that the Commission may set an adjournment time.

Respectfully submitted,
