City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Extension of Bid Time for Sacramento History Center

SUMMARY:

The City Engineer's office has received requests from potential bidders to change the time for receipt of bids for the subject project from 10:00 a.m. October 12, 1982 to 2:00 p.m. October 12, 1982. The City Engineer recommends that the change of bid receipt time be approved.

BACKGROUND:

On August 31, 1982 the City Council approved plans and specifications for the subject project and set the deadline for receipt of bids at 10:00 a.m. on October 12, 1982. Because of the complexity of the project, it is believed that a change to an afternoon time for receipt of bids would elicit a greater response from potential bidders.

RECOMMENDATION:

The City Engineer recommends that the City Council approve the change for time of receipt of bids to 2:00 p.m. October 12, 1982.

Respectfully submitted,

J.F. Varozza
