To Whom It May Concern:

We as property owners at 4901 Cibola Way (parcel number 023-0043-019) have recently completed the construction of a built in pool. We as owners had all of the inspections completed by the City as required (permit number 0008943R).

The decking was signed off by the City Inspector indicating the pouring of the deck was approved. Unfortunately, about two feet of the deck near the east side was poured in an area that needs to be clear if the City must install new Public Utility Lines. Therefore, we as owners and any future owners of this said property resume full responsibility for the removal of this decking and installation of new decking. The City is not held responsible if the removal of the decking is necessary

Sincerely,

Property Owners:
