

## RESOLUTION NO. 2006-512

Adopted by the Sacramento City Council

July 18, 2006

### AWARD A CONSULTANT AND PROFESSIONAL SERVICES AGREEMENT TO INFORMATIX, INC. FOR THE DEVELOPMENT OF A CITYWIDE ELECTRONIC PAYMENT STRATEGY IN AN AMOUNT NOT TO EXCEED \$190,000

#### BACKGROUND

- A. The City receives payments for a variety of services. Payments are currently made in cash, with checks, credit cards and automatic bank withdrawal. There is an increasing demand from citizens to be able to make payments on-line. A citywide e-payment strategy will provide more consistent customer service and streamline internal administrative processes.
- B. On January 6, 2006, a Request for Proposal (RFP) for development of a Citywide Electronic Payment Strategy was issued. There were three proposals received in response to the RFP. A selection committee consisting of staff from several departments evaluated the proposals and interviewed the contractors. Informatix had the most experienced staff, the most experience with public sector agencies, and the most effective approach to completing the project.

#### BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. A Consultant and Professional Services Agreement with Informatix, Inc. is hereby approved for the development of a citywide electronic payment strategy in an amount not to exceed \$190,000.
- Section 1. The City Manager, or authorized designee, is hereby authorized to execute such Agreement.
