the literature on the effects of the Internet on the business-to-business (B2B) market.

The paper is organized as follows. Section 2 discusses the literature on the effects of the Internet on the B2B market. Section 3 discusses the research methodology. Section 4 discusses the results. Section 5 discusses the conclusions.

2. Literature on the effects of the Internet on the B2B market

The Internet has become an important part of the B2B market. The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.

The Internet has changed the way in which businesses interact with each other. The Internet has also changed the way in which businesses interact with their customers.
