shall continue in force and effect until the collection of the special tax by the Council ceases and/or the lien is canceled in accordance with law.

Section 3. The Council finds and determines that written protests to the establishment of Annexation No. 6 to the Community Facilities District and the levy of such special tax, or the extent of Annexation No. 6 to the Community Facilities District, or any of the Services proposed therefore, are insufficient in number and in amount under the Act, and the Council hereby further orders and determines that all protests to the establishment of Annexation No. 6 to the Community Facilities District therefore, or the levy of the special tax proposed to be levied therein, or the extent of Annexation No. 6 to the Community Facilities District, or any of the Services therefore, or the establishment of an appropriations limit for Annexation No. 6 to the Community Facilities District, are hereby overruled.

Section 4. The Council finds and determines that all prior proceedings had and taken by the Council with respect to the establishment of Annexation No. 6 to the Community Facilities District are valid and in conformity with the requirements of the Act; and accordingly, the Council finds, determines and orders that, consistent with the Resolution, Annexation No. 6 to the Community Facilities District is hereby established under and pursuant to the terms and provisions of the Act, the boundaries of which are as set forth in Exhibit C, attached hereto and incorporated herein and made a part hereof.

Section 5. Except where funds are otherwise available, a special tax sufficient to pay for the Services, including the repayment of funds advanced by the City for Annexation No. 6 to the Community Facilities District and including the repayment under any agreement (which shall not constitute a debt or liability of the City) of advances of funds or the reimbursement for the lesser of the value or cost of work in-kind provided by any person for Annexation No.6 to the Community Facilities District, which tax shall be secured by recordation of a continuing lien against all nonexempt property in Annexation No. 6 to the Community Facilities District, will be levied annually within the boundaries of Annexation No. 6 to the Community Facilities District, and for particulars as to the rate, method of apportionment and manner of collection of such special tax reference is made to Exhibit B, attached hereto and incorporated herein and made a part hereof, which sets forth the rate, method of apportionment and manner of collection of such special tax in sufficient detail to allow each landowner or resident within Annexation No. 6 to the Community Facilities District to estimate the maximum amount that such person will have to pay for the Services.

Section 6. It is the intention of the Council, pursuant to Section 53317.3 of the Government Code of the State of California, to levy the special tax on property that is not otherwise exempt from the special tax and that is acquired by a public entity through a negotiated transaction, or by gift or devise.

Section 7. It is the intention of the Council, pursuant to Section 53317.5 of the Government Code of the State of California, to treat the special tax levied against property that is acquired by a public entity through eminent domain proceedings as if it were a special annual assessment.

FOR CITY CLERK USE ONLY

RESOLUTION NO. 2004-204

DATE ADOPTED: MAR 23 2004

- 1) **Developed Parcels:** Parcels shall be assigned a Maximum Annual Special Tax using the following steps. The Maximum Annual Special Tax Rate is increased by the Tax Escalation Factor in each Fiscal Year after the Base Fiscal Year.
 - a. **Single Family Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Single Family Residential Parcels by the number of Residential Units assigned to the Parcel.
 - b. **Duplex/Half-Plex/Tri-plex Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Duplex/Half-Plex/Tri-plex Residential Parcels by the number of Residential Units assigned to the Parcel.
 - c. **Multi-Family Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Multi-Family Residential Parcels by the number of Residential Units assigned to the Parcel.
 - d. **Condominium/Townhouse Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Condominium/Townhouse Parcels by the number of Residential Units assigned to the Parcel.
 - e. **Mixed Use Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Mixed Use Parcels by the number of Residential Units assigned to the Parcel.

- 2) **Annexation Parcels:** The City will require the periodic annexation of Parcels to the CFD. When Parcels are annexed to the CFD, the City will first determine if they are Taxable or Tax-Exempt, using the Definitions in **Section 2**. For Developed Parcels, the City will assign the number of Residential Units for each Parcel based on Assessor Parcel records, building permit or special use permit records, recorded final subdivision map, or other relevant information obtained by the City. The City then shall assign a Maximum Annual Special Tax Rate to Developed Parcels using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.

- 3) **Conversion of a Tax-Exempt Parcel to a Taxable Parcel:** If a Public Parcel is not needed for public use and is converted to private residential use, it shall

FOR CITY CLERK USE ONLY

RESOLUTION NO. 2004-204

DATE ADOPTED: MAR 23 2004

become subject to the Special Tax. A Maximum Annual Special Tax Rate will be assigned using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.

- 4) **Taxable Parcels Acquired by a Public Agency:** A Taxable Parcel that is acquired by a public agency after the CFD is formed will be re-classified as Tax-Exempt provided it is determined by the City in the exercise of its sole discretion, that it is no longer used for residential purposes.

5. Calculating Annual Special Taxes

The City shall assign the Maximum Annual Special Tax per Taxable Parcel based on **Attachment 1** as adjusted annually by the Tax Escalation Factor.

The City shall prepare the Tax Collection Schedule listing the Special Tax levy for each Taxable Parcel and send it to the County Auditor-Controller requesting that it be placed on the general, secured property tax roll for that Fiscal Year. The Tax Collection Schedule shall not be sent later than the date required by the County Auditor-Controller for such inclusion.

The City shall make every effort to correctly calculate the Special Tax for each Parcel. It shall be the burden of the taxpayer to timely prove any alleged errors in the determination of the Parcels subject to the Special Tax and their Special Tax assignments.

6. Records Maintained for the CFD

As development takes place within the CFD, the City will maintain a file containing the following information regarding each Parcel:

- The current Parcel Number;
- Whether a final subdivision map has been recorded or whether a building permit or special use permit for residential use has been issued ; and
- The number of residential units assigned to that Parcel.

The file containing the information listed above will be available for public inspection.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager. Any such notice must be filed within thirty (30) days following the formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or

FOR CITY CLERK USE ONLY

RESOLUTION NO. 2004-204

DATE ADOPTED: MAR 23 2004

designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this Rate and Method of Apportionment.
