MEMORANDUM

**To:** Mayor and City Council Members

**From:** Gary Stonehouse, Planning Director *GJS*

**SUBJECT:** 1998 U.S. CENSUS DRESS REHEARSAL RESULTS

The U.S. Census Bureau has released to the City the results of the 1998 Dress Rehearsal Census. The attached information summarizes the aggregate population, ethnicity, and over 18 years of age population. Additional information will be released later in the year.

Staff is currently reviewing this information for accuracy by comparing housing counts with Census data files. The estimate of 403,312 for the City is higher than the state estimate (392,834) presumably because of the Dress Rehearsal capturing the historical undercount.
