Members in Session:

SUBJECT: Street name for an existing alley to be known as Carriage Path Way
(M84-037)

SUMMARY

This request involves the naming of an existing 20-foot wide alley located between 14th, 15th and 'O' and 'P' Streets. The properties adjacent to the alley are part of the Capitol Area Development Authority (CADA) project and are owned by the State of California who has indicated no objection to the naming of the alley.

BACKGROUND INFORMATION:

The subject alley is located in the Central City and provides alley access to CADA, Site No. 15A. The developer of the CADA project is requesting to name this alley since eight of the units in the development will be fronting on this alley. Naming the alley will allow the eight units to be given addresses and thereby assist emergency services and visitors in locating the units.

The proposed alley naming was reviewed by City Planning, Traffic Engineering, Building Inspections, Fire Department and County Public Works Department. None of these departments indicated objections to the proposed naming of this alley.

RECOMMENDATION

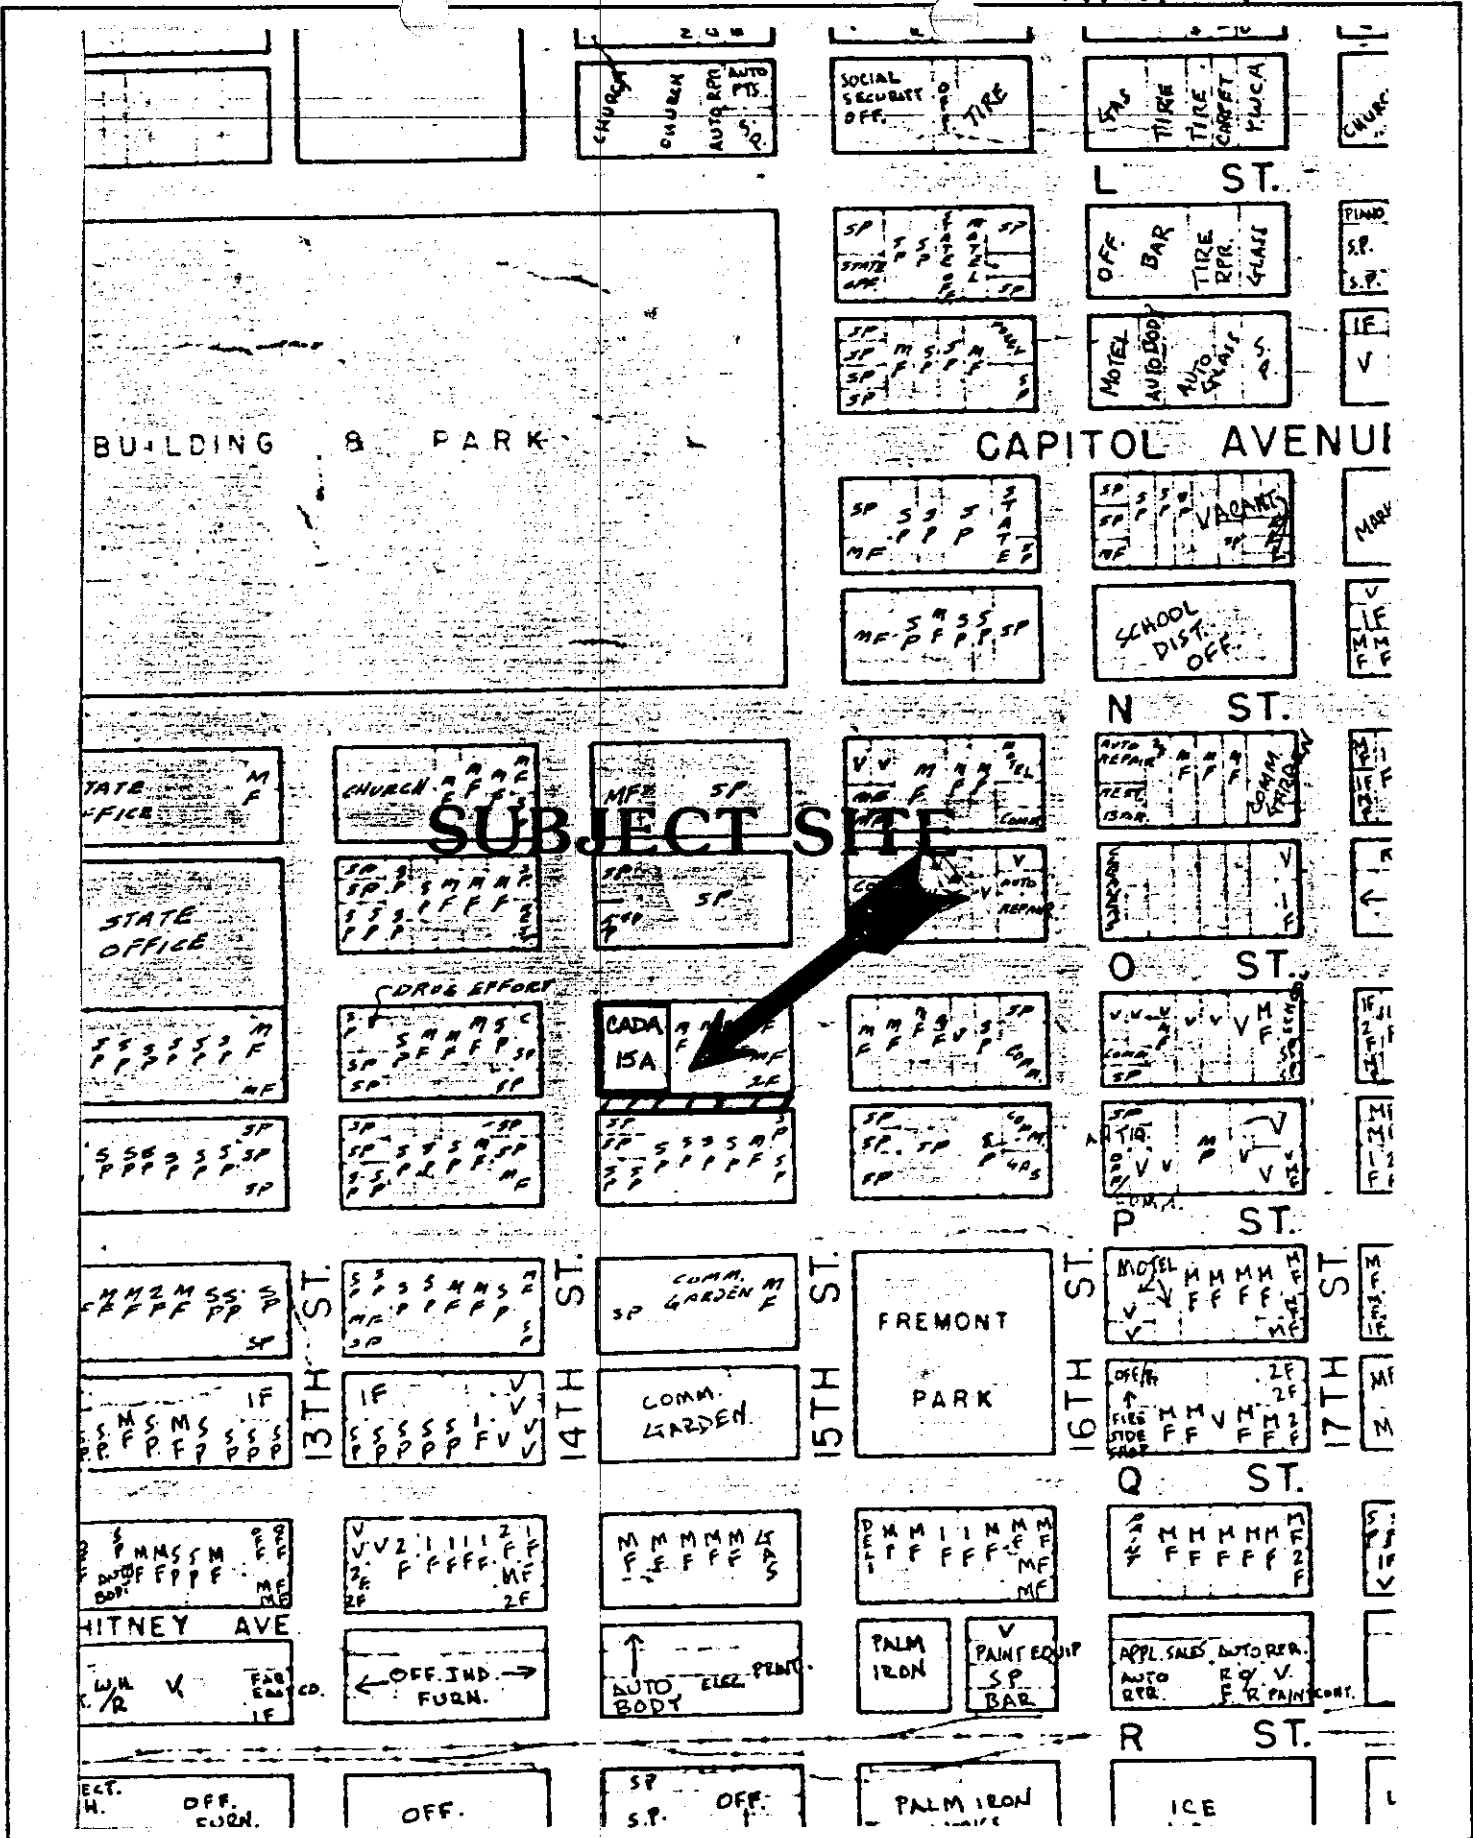

Staff recommends that the City Planning Commission approve the proposed alley naming to Carriage Path Way as shown in Exhibit A by adopting the attached resolution.

Respectfully submitted,

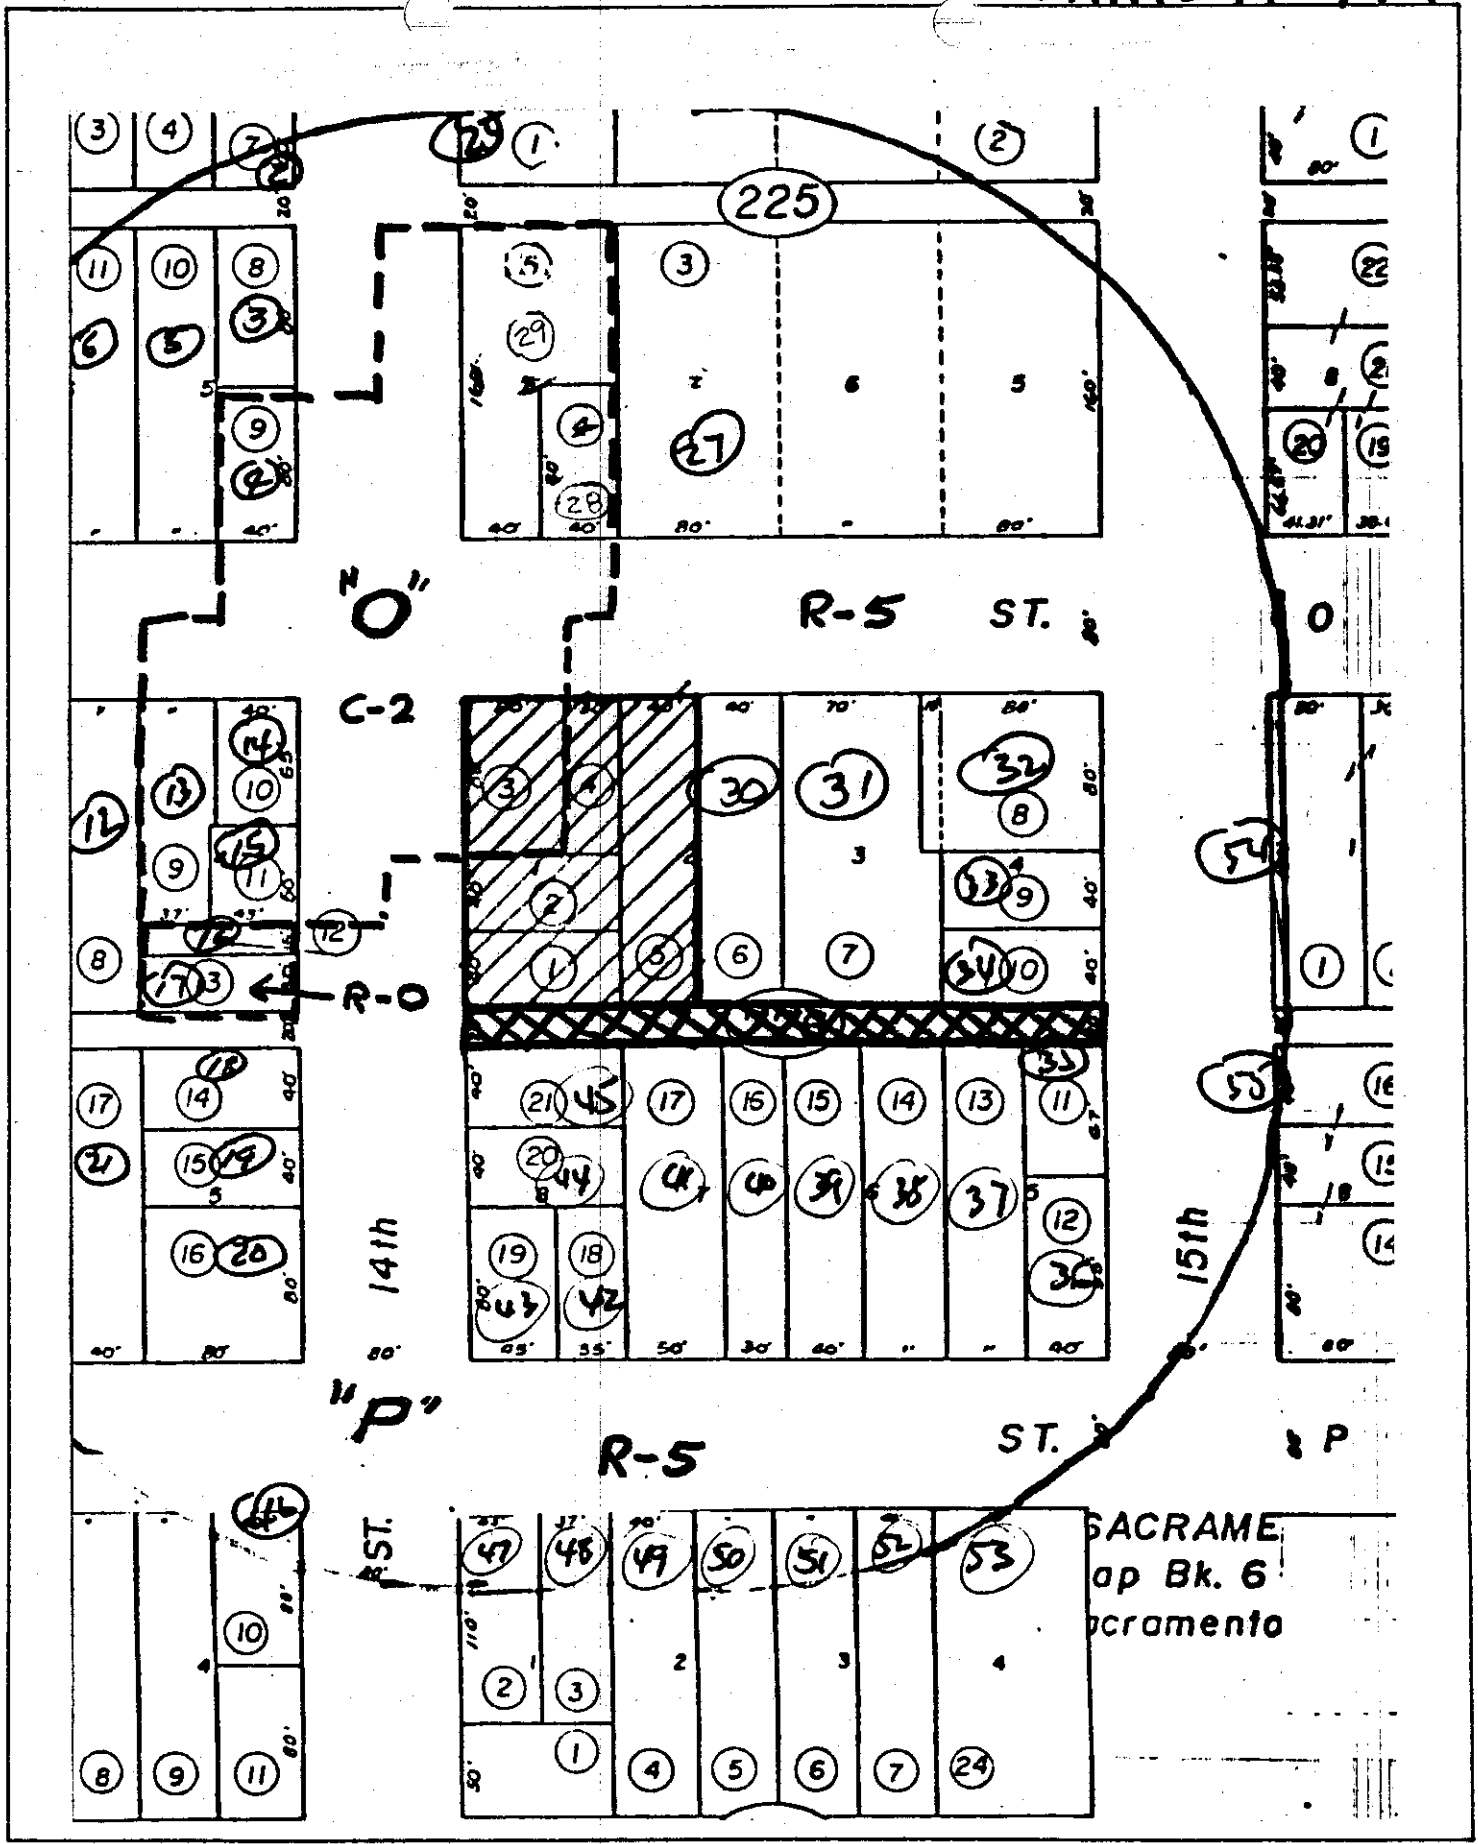

Wilfred Weitman
