Honorable Members in Session:

SUBJECT: Recommendation of Bid Award for CONSTRUCTION OF TENNIS COURTS  
AT MAPLE SCHOOL ANNEX

SUMMARY:

The subject project, as part of the City's Capital Improvement program, has been advertised for bids. Bids have been received and the City Engineer recommends bid award.

BACKGROUND:

On May 13, 1980, the City Council approved plans and specifications for the subject project and bids were received and opened by the City Clerk in the Council Chambers on June 3, 1980. The bids received are as follows:

Keyava Construction Co.	\$59,650.00
Teichert Construction	61,701.75
Shower - Taylor, Inc.	62,870.00
Clifford C. Perini	66,305.50
Trinco, Inc.	82,668.00

FINANCIAL:

The engineer's estimate for this project was \$54,860.25. Although the low bid of Keyava Construction Co. is 8.73% above the engineer's estimate, we feel it is the best bid obtainable. Sufficient funds are available in the Community Services' budget to cover the cost of construction and engineering contingencies.

RECOMMENDATION:

It is recommended that the low bid of Keyava Construction Co. in the amount of \$59,650.00 be accepted.

Recommendation Approved:
