Blaine Fisher
City Council
Sacramento, Calif.

Dear Mr. Fisher,

We would like you to encourage the City Council to reconsider the placement of a traffic signal at the corners of 26th and J Streets. We feel that many of the businesses in the area were not informed of the impending action.

Although we feel that a signal is necessary in the area, the question of placement was not adequately researched. If the signal is truly for the convenience of the Senior citizens then 25th and J Streets seems a more sensible spot or a mid-block pedestrian cross.

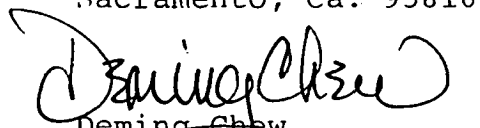

We would greatly appreciate being heard on this issue.

Sincerely,

Sue E. Torngren
