Honorable Mayor and
Members of the City Council

Subject: Housing Case Fees and Penalties – Findings of Fact for Special Assessment
Liens

Location/Council District: Citywide

Recommendation:

Adopt a Resolution placing liens on the properties for unpaid fees and penalties and transmit the unpaid costs to the Sacramento County Auditor/Controller as special assessments against the properties.

Contact: Randy Stratton, Chief of Housing and Dangerous Buildings
Presenter: Randy Stratton
Department: Code Enforcement
Division: Housing and Dangerous Buildings
Organization No: 4653

Summary:

Delinquent fees and penalties are brought before the City Council to secure the debt by placing liens on the properties for which the fees and penalties were imposed pursuant to Titles 8.96 and 8.100 of the Sacramento City Code.

Committee/Commission Action: None

Subject: Housing Case Fees and Penalties – Findings of Fact for Special Assessment Liens

Background Information:

Prior to the assessment of fees and penalties, each property owner was issued the appropriate legal notices, as set forth in Titles 8.96 and 8.100, and was afforded an opportunity to appear before the Housing Code Advisory and Appeals Board (HCAAB) and/or an appointed third-party examiner. Subsequent to the hearing, a "Decision of HCAAB or Hearing Examiner" notice was issued and mailed to the property owner. Included in this notice were findings and the specific fees and penalties. The decision of the HCAAB or Hearing Examiner is final, and judicial review must be conducted in the manner and time frame set forth in California Code of Civil Procedure §1094.6. Sacramento City Code, Chapter 8.100 Article XVI allows the City Council to order the penalty be made both as a personal obligation and a special assessment against the property.

Each property owner listed on the attachment has received all required notices under Titles 8.96 and 8.100, and has been afforded both an opportunity to appear for an administrative hearing and a special assessment hearing. Each has received a final decision notice. None of the listed owners has paid the fees and penalties.

We submit this Resolution to the City Council for declaration of a special assessment.

Financial Considerations:

Lien accruals will be made through County tax collections. The City will also receive partial reimbursement from monies collected by the County based on the "Teeter" legislation agreement with the County. Any money generated from these liens would be included in the approved budget.

Environmental Considerations:

The proposed resolution will not have any adverse environmental impact.

Policy Considerations:

Conducting the lien hearing is in accordance with Sacramento City Code Titles 8.96 and 8.100. All property owners listed in the attachment were afforded an opportunity to appear before an impartial hearing examiner or hearing board for the stated violation. Each owner was afforded the additional opportunity to protest the imposition of the fees and penalties at a special assessment delinquency lien hearing.

Code Enforcement activities, including the related lien process, are consistent with policies associated with the City's goal to enhance and preserve the neighborhoods.
