

RESOLUTION NO. 2009-248

Adopted by the Sacramento City Council

April 30, 2009

APPROVING THE JOHNSTON PARK MASTER PLAN UPDATE (L19808200)

BACKGROUND

- A. The public's perception of the safety of parks and recreation facilities has declined since 2003 according to two public surveys of residents within the City of Sacramento.
- B. On April 10, 2008, the City Council adopted the *Parks and Recreation Safety Implementation Plan (PSIP)* (Resolution 2008-217). As part of the *PSIP*, the City Council approved action plans for nine City parks to implement capital improvements and operational enhancements to make these parks positive, clean, vibrant, and safe environments for park users. Johnston Park was one of the nine selected park sites.
- C. On December 9, 2008, the City Council adopted the *Section 5: Financing of the PSIP* including the recommendations contained therein related to a "premier level" standard for *PSIP* projects.
- D. Carl Johnston Park is a 26.85 acre community park located in North Sacramento on 231 Eleanor Avenue. The Johnston Park Master Plan update was reviewed and supported by the Parks and Recreation Commission on December 4, 2008.
- E. The Environmental Services Manager has reviewed these projects for compliance with the requirements of the California Environmental Quality Act (CEQA) and determined that they are exempt from the provisions of CEQA pursuant to Sections 15303, 15304(b), and 15311(a) of the CEQA Guidelines (Title 14 Cal. Code Reg. § 15000 et seq.).
- F. Long-term designs of public facilities are reviewed and approved by City Council.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The Johnston Park Master Plan Update is approved.
