Dear Mr. Irwin:

Our representative found an internal wiring problem at 714 23rd Street, Sacramento. We will require repairs and an inspection for the wiring to the garage, laundry room & security lights. Their circuits are connected to individual apartments' meters.

Please contact your electrician and arrange to make the above repairs and receive clearance by August 18, 2001. You may also contact the City Electrical Inspector directly by calling (916) 264-5716.

If you have any questions, please call me at (916) 732-5044.

Sincerely,

Douglas Wolff
